SELECTED OAK CREAM GRES TILES

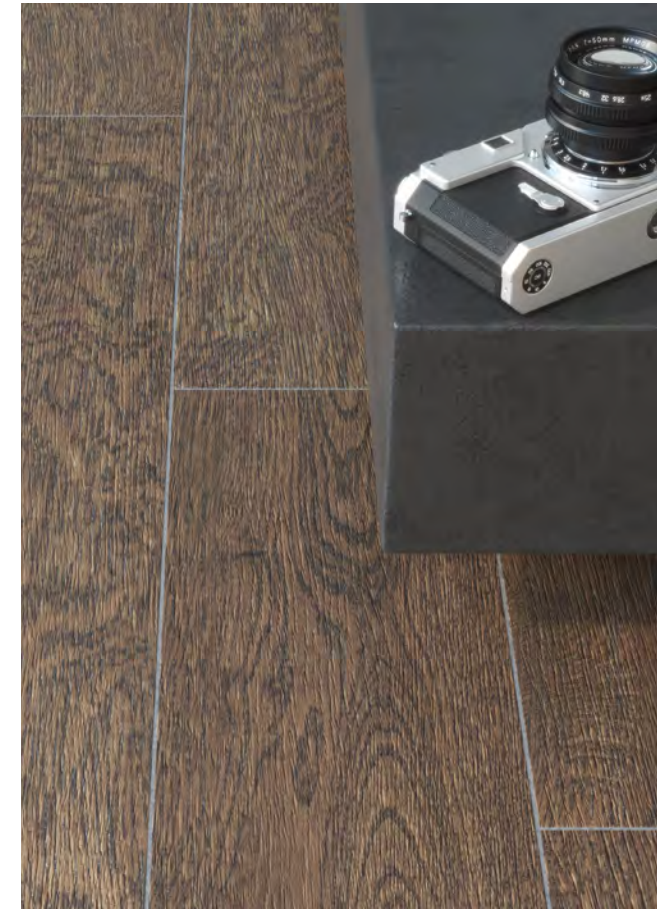

The bathroom is not the natural environment of wood, but the Selected Oak cream tile, inspired by the pattern and texture of oak, works perfectly in such a place. A floor in a bright, cream tone stylistically binds the open space of bathroom, dressing room and sleeping room.

SELECTED OAK WENGE GRES TILES

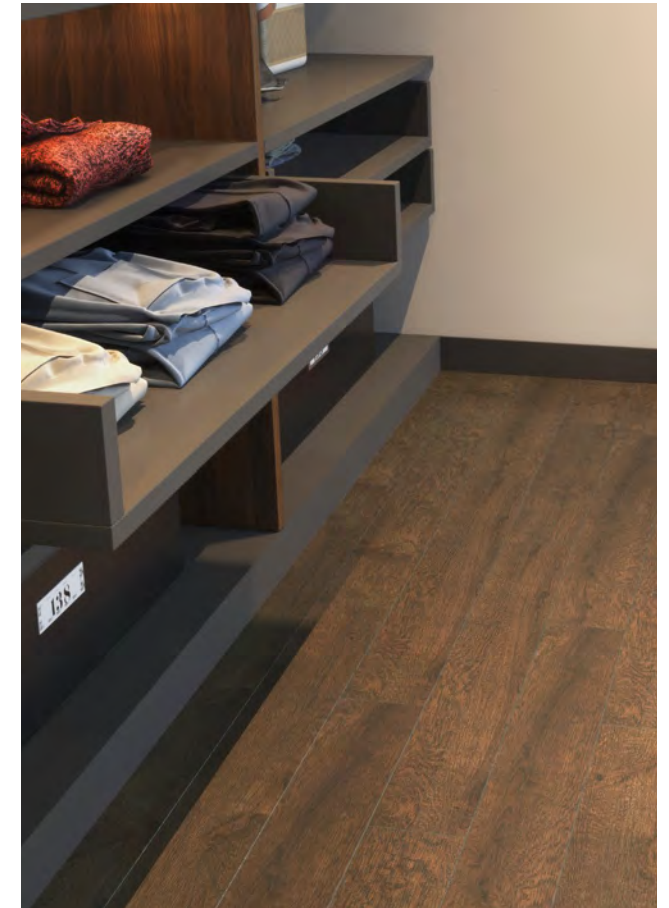

With Selected Oak wenge tiles, the terrace can strike an appearance as impressive as the residential area. The dark floor is an elegant quintessence of the minimalist style in the open recreational space of the living room and terrace.

SELECTED OAK BROWN GRES TILES

The strong hues of the Selected Oak brown tile create a stylish floor in the open, multipurpose space of the dressing room, sleeping room and bathroom. The tile's dark tone brings out and highlights the modernistic character of elegant interiors.
